REGISTERING YOUR GRILL

To validate your Bull Limited Warranty, you must register your Grill. You can do this on-line at the Bull Customer Service Portal.

Go to <https://api.bullbbq.com/c/>

or by sending the send the following information:

- Model Number _____
- Serial Number _____
- Date of Purchase _____
- Copy of your Purchase Receipt or Invoice.
- Customer Name, Address and Phone Number

Send to:

BULL OUTDOOR PRODUCTS, INC.

15 East Ave. Athens, TN 37303

Attn: Warranty Service Center

(For Warranty Questions call Customer Service at (800) 521-2855)

LOCATION OF SERIAL NUMBERS

Essential information about your product is encoded in the serial number of your grill or cart. This information will be required for all warranty claims, ordering replacement parts and will identify any variations of your unit. It is extremely important that you record your serial number and register your grill from the Proof of Purchase. The grill serial number locations are shown below.

SAFETY INSTRUCTIONS

READ CAREFULLY BEFORE ASSEMBLY AND OPERATION OF YOUR GRILL

PROTECT CHILDREN:

- Do not allow children to operate the grill.
- Keep children away from the grill during use and until the grill has cooled after you are finished.

NEVER SMOKE DURING USE

SAFETY:

- 1) When using charcoal briquettes or wood chunks, form a pyramid and douse with lighter fluid. Wait until fluid has soaked in before lighting.
- 2) Cap lighter fluid immediately and place at a safe distance from grill.
- 3) **Never** add lighter fluid to coals that are already hot or warm.
- 4) **Never** use gasoline, kerosene or other highly volatile fluids as a starter. They can explode.
- 5) As an alternative to lighter fluid, use an electric, solid or metal chimney or other starter specifically made for lighting charcoal briquettes or wood chunks.
- 6) Unplug and remove a hot starter with caution and be careful where you place it. Always make sure the starter is completely cool before storing.
- 7) **Never** use an electric starter in the rain and/or when standing on wet ground.
- 8) When using instant light briquettes, do not use lighter fluid, electric, solid, or metal chimney-style starters. Do not add more instant light briquettes once the fire has been lit. Add only regular charcoal briquettes if more are needed.
- 9) Once the grill is lit, do not touch briquettes or wood chunks to see if they are hot. Keep grill uncovered until ready to cook.
- 10) Keep vents open while cooking. Charcoal briquettes and wood chunks need oxygen to burn.
- 11) Allow coals to burn out completely and let ashes cool at least 48 hours before disposing.
- 12) Dispose of cold ashes by wrapping them in heavy-duty aluminum foil and placing them in a non-combustible container. Be sure no other combustible materials are nearby.
- 13) If you must dispose of ashes before the grill is completely cool, place them in heavy-duty foil and soak with water completely before disposing in a non-combustible container.

WARNING:

- 14) This grill is designed for outdoor use only. If used indoors, toxic fumes will accumulate and cause serious bodily injury or death.
- 15) **Do not** leave infants, children, or pets unattended near a hot grill.
- 16) **Do not** use your grill near any combustible materials and/or chemicals. Combustible materials include, but are not limited to, wood or treated wood decks, patios, or porches.
- 17) Always keep the grill in a level position.
- 18) Always put charcoal on top of the charcoal grate and not directly into the bottom of the bowl.
- 19) Never touch the cooking or charcoal grate or the grill to see if they are hot.
- 20) Use barbecue mitts or hot pads to protect hands while cooking or adjusting the vents.
- 21) Use proper barbecuing tools with long, heat-resistant handles. Lining the bowl with aluminum foil will obstruct the air flow. Instead, use a drip pan to catch drippings from meat when cooking by the indirect method.

INSTALLATION INSTRUCTIONS

PLEASE READ THESE INSTRUCTIONS BEFORE INSTALLING YOUR CHARCOAL GRILL

Your charcoal grill comes to you fully assembled. These instructions and illustration will provide you with the measurements necessary for you or your builder to construct a masonry structure to house your outdoor charcoal grill.

NOTES TO INSTALLER:

- 1) Do not discard these instructions. Leave these instructions with the consumer for future reference.
- 2) Grill is to be used **OUTDOORS ONLY**,
- 3) The grill **must** be installed in accordance with all local building codes.

GRILL INSTALLATION GUIDELINES:

- 1) Do not use any combustible materials for this construction. Your charcoal grill **MUST** be installed in a cabinet constructed using only non-combustible materials.
- 2) We do not endorse the use of combustible materials on the floor of the kitchen.
- 3) The minimum horizontal clearance to adjacent combustible surface from side and back of the grill must be **21 inches**.
- 4) Provide 6 inches of clearance behind grill to allow front portion of hood to open and for ventilation purposes.
- 5) **DO NOT** obstruct the removable 15 1/2" x 14" x 2 1/2" ash collection box that must not be obstructed by cabinet construction.

See drawing below for installation dimensions for installing the Grill in an outdoor kitchen.

See next page for overhead ventilation.

GRILL OVERHEAD VENTILATION

! IMPORTANT!

DO NOT USE OR INSTALL YOUR GRILL IN THE FOLLOWING LOCATIONS:

- INDOORS
- ENCLOSED AREAS
- BREEZEWAYS
- SCREENED-IN PATIOS
- INSIDE A BUILDING

IF THE GRILL LOCATION HAS OVERHEAD CONSTRUCTION PRESENT YOU **MUST** FOLLOW THESE INSTRUCTIONS:

- 1) DO NOT INSTALL GRILL UNDER A COMBUSTIBLE COVER.
- 2) OVERHEAD CONSTRUCTION ABOVE COOKING SURFACES **MUST** BE NON-COMBUSTIBLE AND **MUST** BE BUILT NO LESS THAN 60 INCHES ABOVE THE COOKING SURFACES UNLESS OTHERWISE STATED BY LOCAL BUILDING AND FIRE CODE REQUIREMENTS.
- 3) A VENTILATION HOOD **MUST** BE INSTALLED ABOVE THE COOKING SURFACE WITH A 30 INCHES MINIMUM CLEARANCE BETWEEN VENTILATION HOOD AND COOKING SURFACE
- 4) VENTILATION HOOD **MUST** BE LARGER THEN THE COOKING SURFACE WITH A MINIMUM OF 3 INCHES OF OVERLAP ON EACH SIDE OF COOKING SURFACE
- 5) VENTILATION HOOD **MUST** BE RATED WITH A MINIMUM OF 1200 CFM (CUBIC FEET PER MINUTE) FOR PROPER APPLICATION.

OPERATING INSTRUCTIONS

NOTE:

- 1) Place the grill outdoors on a hard, level, non-combustible surface away from roof overhang or any combustible material.
- 2) **Never** use Grill on wood or other surfaces that could burn.
- 3) Place the grill away from open windows or doors to prevent smoke from entering your house.
- 4) Place the grill in an outdoor area that is protected from the wind.

CAUTION: DO NOT LEAVE GRILL UNATTENDED WHILE IN USE.

EXCLUSIVE FEATURES

- Air vent butterfly dampers at both sides of the lid control rate of burn for your choice of high intensity heat, slow roasting, or smoking (see illustrations below).

Grill door with air shutter can control the airflow (see illustrations below).

OPERATING INSTRUCTIONS (CONT.)

- Remove cooking grates to access Charcoal holding trays to load Charcoal Briquets.

Rotate the height adjustment knob to adjust the charcoal bed for multi-level heat control.

AFTER USE SAFETY:

- 1) Always allow grill and all components to cool completely before handling.
- 2) Never leave the coals and ashes in the grill unattended.
- 3) Make sure coals and ashes are completely extinguished before removing.
- 4) Before the grill can be left unattended, remaining coals and ashes must be removed from grill. Place remaining coals and ashes in a non-combustible metal container and completely saturate with water.
- 5) Allow the coals and water to remain in metal container 24 hours prior to disposing.
- 6) Extinguished coals and ashes should be placed a safe distance from all structures and combustible materials.
- 7) With a garden hose, completely wet surface beneath and around the grill to extinguish any ashes, coals or embers which may have fallen during the cookout or cleaning process.
- 8) Cover and store grill in a protected area away from children and pets.

CLEANING & MAINTENANCE

CLEANING THE GRILL

4 easy steps to help you clean your grill:

- Make sure the grill is cool, and coals are totally extinguished.
- Remove the cooking and charcoal grates.
- Remove ashes.
- Wash your grill in a mild soap and warm water solution. You can also use a washcloth or a vegetable brush to clean your grill and wipe down.

CLEANING THE COOKING GRATES

Before first use and periodically it is suggested that you wash the cooking grates in a mild soap and warm water solution. You can also use a washcloth or a vegetable brush to clean your cooking grates.

HOW TO ORDER REPLACEMENT PARTS

This is where your Product Information Reference Card will come in handy for supplying necessary info needed by your Bull Authorized Dealer to assure you get the correct part(s) for your Grill or additional accessories to keep your Grill in top working condition. If you don't have the card, you can still get the model number and serial number on the inside of the left side panel. That information is required for parts orders.

Please refer to your owner's manual parts list and illustration to identify what you need.

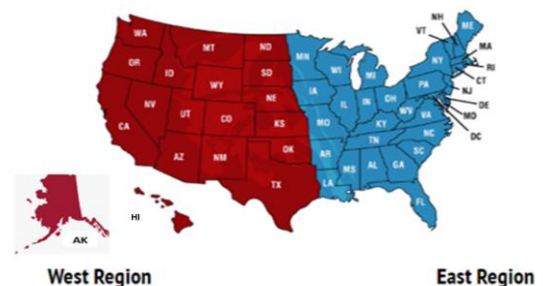

To Order Replacement Parts on-line go to: <https://www.bullbbq.com/buy-parts>

Ordering Parts by phone:

Bull is ready to help with two regional suppliers.
open 8:00 am to 5:00 pm Monday through Friday.

For the Western Region, call (800) 258-6810

For the Eastern Region, call (800) 229-3056

INSPECT FOR ANY DAMAGE AND CONTACT OUR SERVICE CENTER OR THE LOCAL DEALER FOR REPLACEMENT OF ANY DAMAGED PARTS. IF DAMAGED DO NOT ATTEMPT INSTALLATION.

WARNING:

- Using sharp objects to clean the cooking grate or remove ashes will damage the finish.
- Using abrasive cleaners on the cooking grate or the grill itself will damage the finish.

WARNING: Use of any part that is not factory authorized will void your warranty and may be dangerous.
